About NEW YORK.

FOR THE VEST POCKET OF

VISITORS and RESIDENTS.

"A FRIEND IN NEED."

PRICE, 10 CENTS.

COPYRIGHT 1886,

By USEFUL PUBLISHING COMPANY.

4382 R

In the handiest possible shape, we give you a ready reference book. Put it in your vest pocket or memorandum book, and the next time you are wondering where the Dock or Office of this Steamer or that Railroad is, or what street that Club or Hotel is on, or if there is such or such an Exchange, look in it and find your answer. If you are a VISITOR, trust it, rather than any New Yorker. If you are visited, buy a copy and learn something about the city you live in, in season to reply with some degree of intelligence to the certain question: What shall we go and see?

SIGNAL OFFICE.

DEPARTMENT OF THE WEATHER BOARD.

BAROMETER.

First rise, after *very* low
Indicates a stronger blow.

Long foretold—long last.
Short notice—short blast.

STRAIGHT TIP.

When the wind shifts against the sun,
Trust it not, for back it will run.

Red sky in the morning
Good sailor take warning;
Red skies at night
Good sailors' delight.

REMEMBER.

At all times, in all places, under all circumstances, **MAKE NO DISPLAY OF MONEY.** Civility costs nothing—it is everyone's due; accord it without regard to occupation or dress.

Keep "your oar" out of that which does not concern you.

Be slow to intimacy with the chance acquaintance.

Information that you may desire is better obtained from policemen or uniformed employees of public buildings, cars, etc., than from the passing stranger. Ladies especially should note this.

BAGGAGE.

Don't be afraid to give your checks to Dodd's or Westcott's Express agent, when he comes through the cars. Take *from* him a **RECEIPT** or **DOMESTIC BILL OF LADING**, stating check **NUMBERS**, where baggage shall be delivered, charges and amount his company will pay in case of loss.

ARRIVING

at Grand Central Depot on E. 42d St., cor. Vanderbilt Av., for **DOWN** town take car **IN** station, via 4th Av. to Broome, to Centre, to Park Row, Brooklyn Bridge and Post Office. For **UP** town take car **OUTSIDE** station, via. Madison Av. to Harlem, fare, 5c.; OR, go

up stairs IN station to 3d Av. Elevated for all points UP or DOWN within a few blocks East or West of 3d Av. (East to 1st, 2d, A, B, C and D Aves. West to Lexington, Park or 4th, Madison and 5th); also for Brooklyn Bridge, City Hall, Fulton, Wall, South, Hamilton and Staten Island Ferries, and Battery. Fare, 5:30 to 8:30 a.m., 4:30 to 7:30 p.m. and all day Sundays, 5c.; other times, 10c. *OR*, get Yellow Cab IN STATION; Fare, 25c. a mile. *OR*, Hack! OUTSIDE Station. Make your bargain FIRST. Law allows collection of fare in advance. Mile usually reckoned at 20 blocks. Price, \$1.00, 1 mile; extra per mile or fraction, 50c. Hacks and Cabs must have owner's name, charges and number in conspicuous place. Always note *Driver's number*. One piece baggage free. Cab carries 2; hack 4.

EAST AND WEST mean East or West of 5th Av. Lettered and numbered avenues run North and South; numbered streets East and West.

Arriving in New York from Jersey City, or via boat from New England or from up the Hudson, at any Pier below 33; a short walk *straight ahead* from the Pier takes you to Broadway and across streets on which run Tenth, Ninth, Sixth, Seventh and Eighth Avenue surface cars; also Ninth and Sixth Avenue Elevated, in order named. The Tenth Avenue car circles the city, crossing *up town* along 59th Street, passes all ferries, steamboat landings and crosses all avenues.
